### Transaction Notes

### Transaction Photograph

*You may upload an image file here to display on the summary page. We suggest that the image be between 300px & 600px wide. Please keep in mind that the larger the file the longer the image will take to download. Images greater than 200k will not be saved for this reason. Hint: You can upload an animated gif to show several images in rotation.*

*The list of acceptable file formats are as follows: .jpg .jpeg .gif .bmp*
